

## Shape Analysis

Look at the following two artworks and identify the shapes that the artists have used.

Write down the name of the shape and indicate the location of the shape with the line.

You need to identify at least 6 different shapes for each of the artists.

Paste this sheet into your visual diary when you have completed the task.

Joan Miro – “Woman and Bird by Moonlight”, 1949

Fernand Leger – “Stove”, 1918
